Fourth transnational project meeting

The fourth meeting of the We Cook IN project was held in Ohrid from the 23rd to the 25th of September 2024. The meeting was organized as blended activity, hosted by CES Academy, and served as a final coordinative point for this project.

The key focus was put on finalization of work packages, dissemination activities, and final strategies to ensure a smooth wrap-up of the project.

WORK PACKAGE NO. 3 – HANDBOOK FOR ADULT EDUCATORS: DIVERSITY LEARNING AND COMPETENCE VALIDATION

Objectives

- To create a Handbook for adult educators to help them embrace important concepts such as interculturality and diversity learning in adult teaching.
- To show educators the importance of teaching, not just skills, but also different ways to validate skills to access the labour market.
